

## Please Join Us in Celebrating Our 55<sup>th</sup> Anniversary By Helping Us Select a Charity Paint Project

We have always made a concerted effort to give back to the communities where we work, but this year we want to go one step further. To celebrate 55 years of service to Chicagoland, we would like to donate our services to a nonprofit organization in need of a paint-related makeover. As our valued customer, we want to know what local nonprofit is close to your heart and how you believe it would benefit from our project donation.

A selection committee will choose the organization for the project donation based on the following guidelines:

- Project description/level of need
- Organization description
- Size of the project – must be able to complete over one weekend of volunteer time.
- Acceptance of nonprofit organization to the project requirements and limitations set by Hester Painting & Decorating

Due to the time involved reviewing each entry, only the first ten entries will be considered. To submit your nomination, please fill out and email the form below to [info@hesterdecorating.com](mailto:info@hesterdecorating.com). **The deadline for entries is January 25<sup>th</sup>**. To qualify, the project must be located in the Lake, Cook or Dupage counties.

The project will be selected early in February, and the work will commence during the winter/spring of 2023. Only the chosen organization will be contacted. We look forward to reading your submissions!

Best Wishes,

Your Hester Team
